LEGO.com/creator

The tower is commonly known as Big Ben, but was named Elizabeth Tower in celebration of the Queen's Diamond Jubilee in 2012.

Of the five bells in Elizabeth tower, only the largest is called Big Ben.

The bell is wider than it is tall, so it had to be raised up sideways in the tower during installation.

The 300 statues that make up the facade of the building represent saints and sovereigns dating from the Norman conquest to the reign of Queen Victoria.

La tour est généralement connue sous le nom de Big Ben, mais fut rebaptisée tour Elizabeth lors de la célébration du jubilé de diamant de la reine en 2012.

Des cinq cloches de la tour Elizabeth, seule la plus grande est appelée Big Ben.

La cloche est plus large que haute, elle a donc dû être installée dans la tour en étant soulevée de côté.

Les 300 statues sur la façade du bâtiment représentent les saints et les souverains de la conquête normande jusqu'au règne de la reine Victoria.

La torre suele conocerse como "el Big Ben"; sin embargo, fue bautizada como "Torre de Isabel" en 2012 para celebrar el jubileo de diamante de la reina.

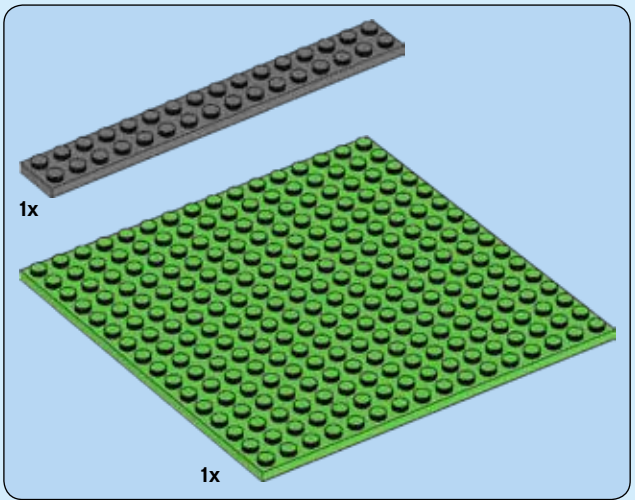

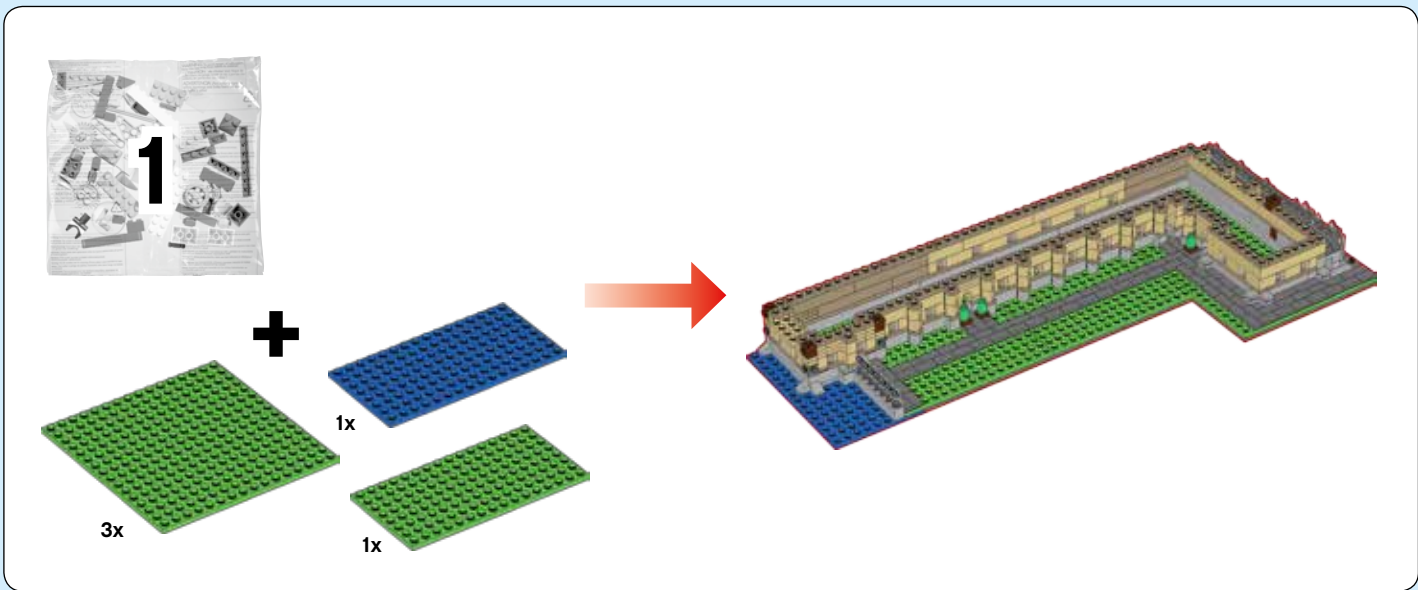

De las cinco campanas de la Torre de Isabel, sólo la más grande se denomina Big Ben.

La campana es más ancha que alta, por lo que fue necesario izarla de lado por la torre para instalarla.

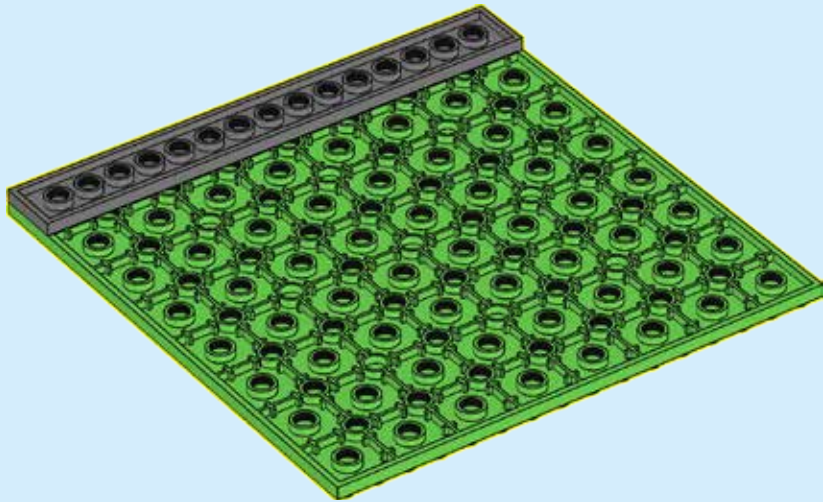

Las 300 estatuas que decoran la fachada del edificio representan a santos y soberanos de épocas comprendidas entre la conquista normanda y el reinado de la reina Victoria.

-  The lantern near the top was added so Queen Victoria could see when members of parliament were working into the night.
-  La lanterne proche du sommet fut ajoutée afin que la reine Victoria puisse voir quand les membres du parlement travaillaient la nuit.
-  El faro superior se agregó para que la reina Victoria pudiera saber si los miembros del parlamento estaban trabajando durante la noche.
