« De nos jours,
nous passons de
moins en moins
de temps dans la
nature. Nous vivons

dans une société urbaine dépendante
des technologies. Cependant, nous avons
besoin de la nature pour nous relier les uns
aux autres et comprendre qui nous sommes.
Ce set LEGO® Le jardin paisible, qui s'inspire
des jardins japonais, évoque la nature –
du moins d'un point de vue symbolique.
Aujourd'hui, c'est l'une des choses les plus
importantes dans nos vies. »

HOICHI KURISU

Concepteur et constructeur de jardins japonais

Créé pour vivre en pleine conscience

● Suivez les pierres de gué jusqu'à votre pavillon privé, faites comme chez vous, détendez-vous et ne faites qu'un avec la nature, le temps d'un instant. Ou bien restez aussi longtemps qu'il vous plaira.

Inspiré par les éléments issus des traditions millénaires des jardins paisibles, ce set a été créé en collaboration avec Hoichi Kurisu, créateur depuis plusieurs années de jardins favorisant la pleine conscience. Un sanctuaire où l'on peut réfléchir et se ressourcer sans distractions. Chaque élément du jardin permet de s'attarder sur les merveilles colorées et la beauté ludique de la Terre Mère. Passez du temps dans votre jardin et regardez les saisons aller et venir. Sentez votre créativité s'épanouir à chaque visite, réorganisez le paysage, plantez de nouveaux végétaux LEGO® ou ajoutez des ornements décoratifs qui ont du sens pour vous. Préparez une théière de votre thé matcha préféré, écoutez les sons apaisants de la nature, glissez-vous dans vos pantoufles les plus douces et prenez le temps de savourer le moment présent.

Occupez-vous de votre jardin

● « La construction d'un set LEGO® peut être un véritable moment d'évasion, comme lorsqu'on lit un bon livre. Elle permet de se concentrer sur quelque chose d'amusant et confère un sentiment de fierté et de satisfaction, longtemps après la fin de la construction. Vous pouvez revenir dans ce jardin aussi souvent que vous le souhaitez. Occupez-vous des éléments et modifiez le paysage comme vous le feriez dans un vrai jardin ou avec un bonsaï. Taillez ou replantez les cerisiers en fleurs, les conifères luxuriants et le bambou, ou bien déplacez les lanternes de pierre lisse pour les accorder à votre style et votre humeur. Vous pouvez également admirer les carpes koï et les nénuphars aux tons éclatants dans le bassin grouillant de vie, et simplement vous abandonner à votre liberté créative. »

« Donnez une touche personnelle au set afin qu'il s'adapte à votre humeur. »

MICHAEL PSIAKI ET CARL MERRIAM
Model designers LEGO® Icons

La forme des bassins représente généralement des *kanji* (système d'écriture japonais) qui ont un sens profond, comme *kokoro*, qui signifie « cœur ».

Les îles des jardins paisibles peuvent symboliser des montagnes mythiques ou mystiques, des tortues ou des grues (souvent associées à la longévité).

Vous reconnaissez le motif de la structure de base de ce modèle ?
Nous avons réutilisé le motif du pot de fleurs du set LEGO Icons
Bonsaï 10281 pour lui donner un aspect identique.

97

98

99

Envie d'ajouter votre touche personnelle à votre modèle ?
Laissez-vous inspirer par les cinq principes des jardins paisibles :
un enclos, l'équilibre, des paysages empruntés, le symbolisme
et l'asymétrie.
