Viaggio nel medioevo

🛡 Hai mai immaginato come fosse la vita al di fuori delle classiche mura del Castello LEGO®? Questo set ti invita a viaggiare indietro nel tempo e a visitare la vivace piazza del mercato medievale, situata non troppo lontano dal Castello. Incontra i talentuosi artigiani che danno vita a questa città e prendi parte alle attività del tempo libero, scopri i piaceri e i tesori locali nascosti in ogni angolo.

Nel mercato, troviamo anche la Locanda Broken Axe, una torre di guardia, un negozio di formaggi, un laboratorio di falegnameria e una fattoria. Apri le case per dare un'occhiata alle attività all'interno!

Gli artigiani e gli abitanti del villaggio si scambiano merci, favori e forse qualche pettegolezzo occasionale attorno al vecchio albero nella piazza. Partecipa alla conversazione mentre costruisci ed esplori il mercato.

Visita il borgo di Felsa

Il villaggio attira un variopinto assortimento di artigiani creativi. Dal bestiame al fieno, dai formaggi fatti in casa alle sedie decorate, questi artigiani forniscono al villaggio e al castello cibo delizioso, intrattenimento, materiali da costruzione e accessori per gli interni. Una guardia dei Cavalieri del Leone vigila sulla sicurezza del villaggio e i manifesti "Ricercato" sull'albero avvertono della presenza di vagabondi ribelli e di imbroglioni e ciarlatani. Tutto sommato, è un posto tranquillo dove le persone vanno d'accordo e si aiutano a vicenda.

Una giornata nella vita...

🛡️ Alla fine di una lunga giornata di lavoro, gli abitanti del villaggio si ritrovano per un meritato drink e un pasto sostanzioso alla Locanda Broken Axe. Fanno a turno a suonare il liuto oppure giocano a scacchi. (Si dice che l'esattore delle tasse della regina sia un avversario formidabile, ma forse non del tutto equo.)

Ispirato alla storia LEGO®

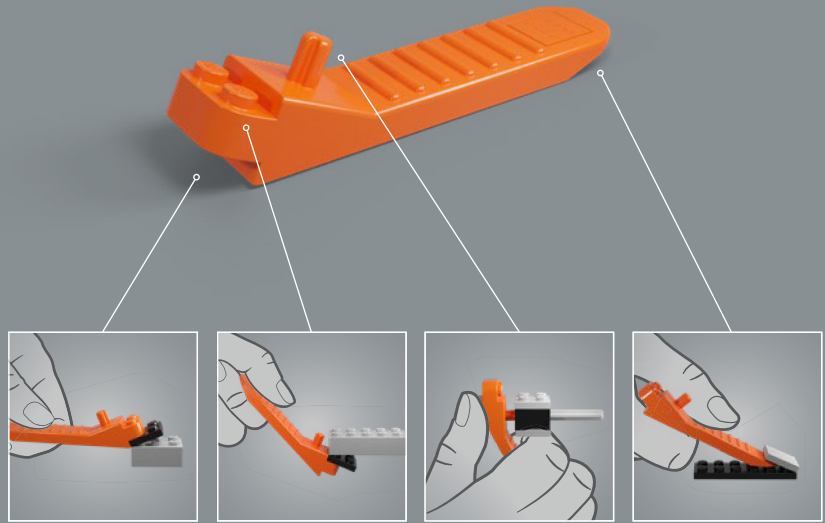

Il Mercato del villaggio medievale LEGO® (10193) fu lanciato nel 2009 e fu ben accolto dai fan in tutto il mondo. Gli edifici dettagliati e incernierati, le figure degli animali e la carismatica galleria di minifigure hanno ispirato una grande voglia di narrazione vivida e creativa nei costruttori di tutte le età. Questo set porta queste storie e l'entusiasmante esperienza di costruzione ancora oltre, con ulteriore flessibilità e più scenari d'azione.

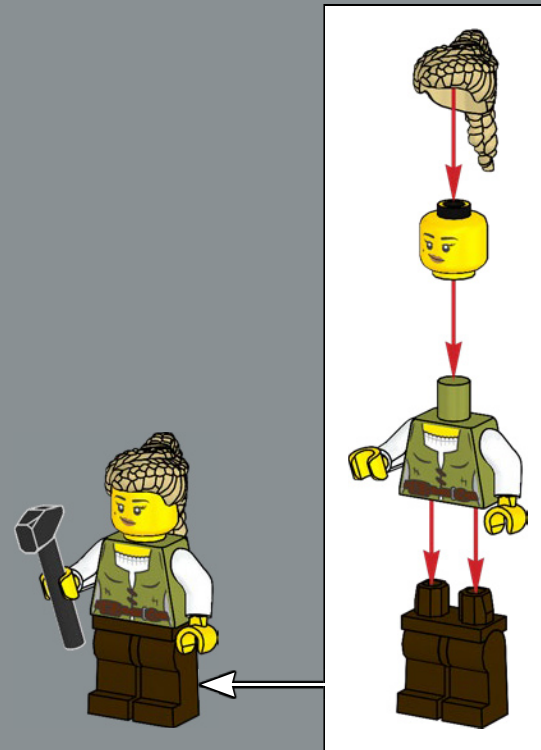

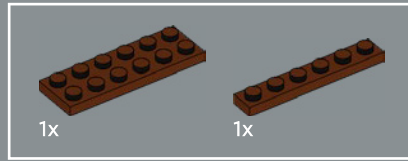

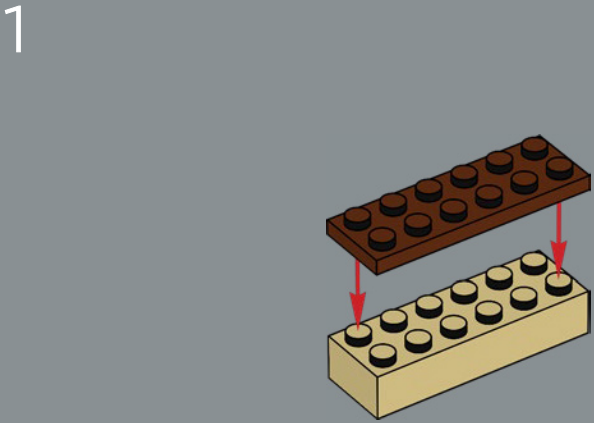

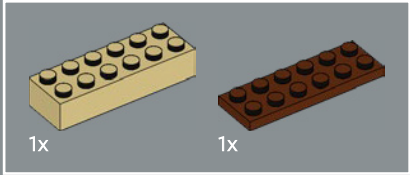

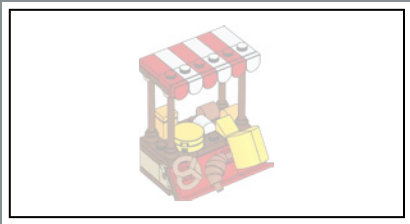

HENRIK RUBIN SAABY
LEGO® Senior Designer

Dal tuo esperto di storia LEGO®

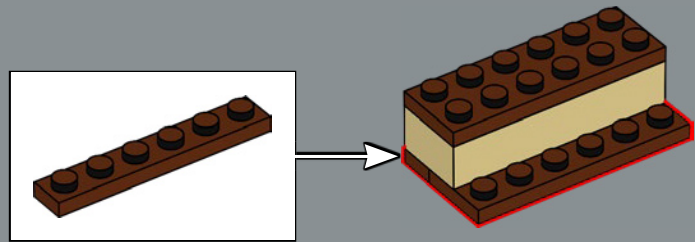

“Quando abbiamo deciso di far rivivere questo popolare tema, abbiamo voluto rimanere fedeli al periodo medievale, per quanto possibile, includendo dettagli intricati ed esteticamente piacevoli. Abbiamo così introdotto nuovi personaggi, come l'esattore delle tasse della regina e il locandiere e, per la prima volta, abbiamo tre case incernierate insieme in modo che il modello possa essere angolato per essere esposto su ogni scaffale o come vuole la vostra immaginazione!”

La scala e lo sportello consentono un facile accesso al laboratorio del falegname. (Usa la leva di rilascio sullo stesso lato del controllo della gru.)

Questo arazzo ti sembra familiare? Il motivo dell'ultimo design dell'arazziere è in realtà basato su una popolare scena di una giostra del modello Castello LEGO® 375 del 1978.

Il gatto svolge un ruolo molto importante nel difendere il villaggio dai topi e altri fastidiosi roditori. Ci sembra giusto che sia premiato con un po' di latte.
