# MILLENNIUM FALCON™

**STAR WARS**

## WE HAVE A REALLY GOOD FEELING ABOUT THIS

"It seems not long ago we released the first-ever LEGO® Star Wars™ sets – in 1999. Now we're celebrating our 25th anniversary. Time flies almost as fast as our favourite starship when you're having fun in this galaxy! Of the hundreds of starships we have released over the years, the *Millennium Falcon* remains the most requested and popular with fans of all ages. From *A New Hope* to

*The Rise of Skywalker* and beyond, we agree with Han and Chewie – this ship feels like home. After more than 25 different iterations, from miniature versions to great Ultimate Collector Series sets, and now as part of our new Starship Collection edition, we still love this hunk of junk – special modifications, quirks and all."

**Jens Kronvold Frederiksen**  
Creative Director, LEGO® Star Wars™

## THE FASTEST YT-1300 SPACE FREIGHTER IN THE GALAXY

While Han Solo's legendary Kessel Run is mainly responsible for the *Falcon's* now dilapidated appearance, Lando Calrissian, its first known owner, curated much of the custom-built interior of the famous Corellian light freighter. Special modifications have boosted the ship's engines to unprecedented

speeds and that, combined with concealed storage spaces, deflector shield generators and a class 0.5 customised hyperdrive, comfortably facilitates Han's need to transport illicit goods through Imperial blockades without getting caught. Well, mostly.

## DETAILED DEATH STAR DESTROYER

The *Millennium Falcon*™ may not seem an obvious candidate for fame and glory. Nevertheless, with the help of the starship's illegal, military-grade quad laser cannons and a sophisticated, customised navigational system, the *Falcon* and its crew of Rebels play a defining role in the destruction of not just one but two

Death Stars. As you build, look for nods to some of your favourite scenes, characters, details and features from *A New Hope* and *The Empire Strikes Back*. Now let your model fly in formation with the rest of your Starship Collection.

While R2-D2 has the strategic skills to win at the holographic dejarik table, it might be wiser to let Chewbacca win. As Han explains, droids don't pull people's arms out of their sockets when they lose.

**"Your eyes can deceive you. Don't trust them."**  
These look like ordinary studded bricks, or if you look closer, they could be Obi-Wan Kenobi training Luke Skywalker in the ways of the Force.
