Get excited about our new packaging!

We're switching from plastic to paper-based packaging. That's why you might find a mix of paper and plastic in our boxes!

Nos nouveaux emballages vous emballeront !

Nous passons des emballages en plastique aux emballages à base de papier. C'est pourquoi vous pourriez trouver un mélange de papier et de plastique dans nos boîtes !

¡Te presentamos nuestros nuevos empaques!

Estamos sustituyendo las bolsas de plástico por bolsas con base de papel. ¡Por eso, puedes encontrar una mezcla de papel y de plástico en nuestras cajas!

MONKEY KING DANS LES ROYAUMES CÉLESTES

Inspirés du roman classique *La pérégrination vers l'Ouest*, les ensembles LEGO® Monkie Kid™ réinventent les origines et le futur de la légende intemporelle de Monkey King. Prépare-toi à construire le prochain chapitre.

MONKEY KING EN LOS REINOS CELESTIALES

Basados en la clásica novela *Journey to the West*, los sets LEGO® Monkie Kid™ reimaginan los orígenes y el futuro de la leyenda intemporal de Monkey King. Prepárate para construir el siguiente capítulo.

THE MONKEY KING IN THE HEAVENLY REALMS

Based on the classic novel *Journey to the West*, LEGO® Monkie Kid™ sets reimagine the origins and future of the timeless legend of the Monkey King. Get ready to build the next chapter.

THE PEACH GARDEN

The Monkey King is honored and proud to join the gods in the Heavenly Realms; however, instead of glory he finds tedious work in the horse stables and the Peach Garden, where he eats a sacred Peach of Immortality – a terrible act of sacrilege that sparks the wrath of the gods.

LE JARDIN DES PÊCHES

Monkey King est honoré et fier de rejoindre les dieux dans les royaumes célestes. Toutefois, ce qui l'attend n'est pas la gloire, mais un travail fastidieux dans les écuries et le jardin des pêches, où il mange une pêche sacrée de l'immortalité – un terrible sacrilège qui déclenche la colère des dieux.

EL JARDÍN DE LOS DURAZNOS

Monkey King se siente honrado y orgulloso de unirse a los dioses en los Reinos Celestiales, pero, en lugar de disfrutar de la gloria, se encuentra desempeñando tediosos trabajos en los establos y el Jardín de los Duraznos, donde se come un Durazno de la Inmortalidad: ¡un terrible acto de sacrilegio que desata la ira de los dioses!

THE PALACE

Disillusioned and defiant toward the gods and the Heavenly Realms, the Monkey King had a huge fight with the warrior god, Erlang Shen, at the Celestial Palace.

LE PALAIS

Désabusé et défiant envers les dieux et les royaumes célestes, Monkey King livre un combat épique contre le dieu guerrier, Erlang Shen, au palais céleste.

EL PALACIO

Desilusionado y desafiante ante los dioses y los Reinos Celestiales, Monkey King emprende una gran batalla contra el dios guerrero Erlang Shen en el Palacio Celestial.

THE FURNACE

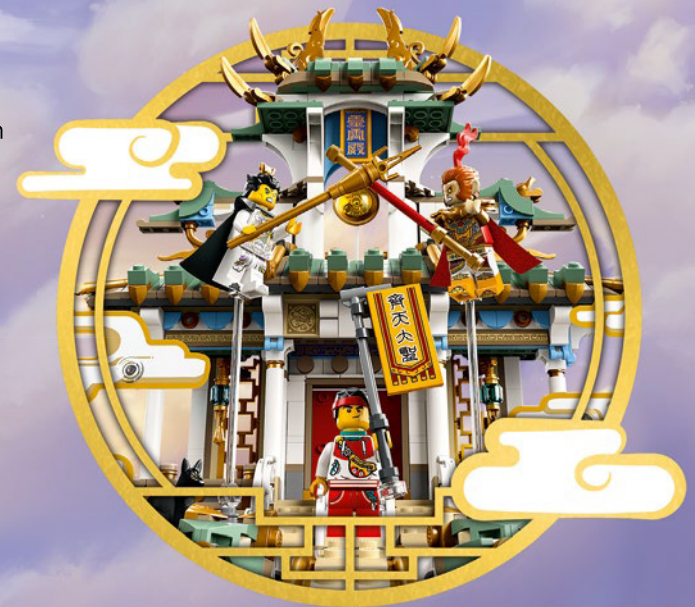

As punishment for his acts, the Monkey King is sent to the Furnace. But he emerges even stronger, with the 'golden sight' that gives him the power to see the truth in everything.

LE FOURNEAU

Pour être puni de ses actes, Monkey King est enfermé dans un fourneau. Mais il en émerge encore plus fort, avec la « vue d'or » qui lui confère le pouvoir de voir la vérité en toute chose.

EL HORNO

Como castigo por sus actos, Monkey King es enviado al Horno. No obstante, emerge de allí fortalecido con la "visión dorada", que le confiere el poder de ver la verdad en todo.

Justin Ramsden

HOMAGE TO A CLASSIC

"The Monkey King is such an icon to *Journey to the West* fans of all ages, all over the world. We wanted to make the LEGO® version of this iconic location both culturally authentic and instantly recognizable as the 'Heavenly Realms.'

We worked closely with our colleagues in China to bring out as many ornate and celestial details as possible, give the most important icons room to shine and to add a lot of LEGO fun to the model.

The result is a creative homage to the original story. We hope fans will connect with this unique part of their heritage, unleash their creativity and tell their own stories."

Justin Ramsden,
LEGO Senior Model Designer

HOMMAGE À UN CLASSIQUE

« Monkey King est une icône pour les amateurs de *La pérégrination vers l'Ouest* de tous âges, de par le monde. Nous voulions que la version LEGO® des emblématiques royaumes célestes soit à la fois culturellement authentique et instantanément reconnaissable.

Nous avons travaillé en étroite collaboration avec nos collègues chinois pour faire ressortir autant de détails ornementaux et célestes que possible, donner aux symboles les plus importants la chance de briller et ajouter beaucoup de jeu LEGO au modèle.

Le résultat est un hommage créatif à l'histoire originale. Nous espérons que les amateurs renoueront avec cette partie unique de leur patrimoine, libéreront leur créativité et raconteront leurs propres histoires. »

Justin Ramsden, concepteur principal de modèles LEGO

HOMENAJE A UN CLÁSICO

"Monkey King es un ícono para los fans de *Journey to the West* de todas las edades y todos los rincones del mundo. Queríamos que la versión LEGO® de este inconfundible lugar fuera tan auténtica culturalmente y reconocible al instante como lo son los Reinos Celestiales.

Trabajamos en estrecha colaboración con nuestros colegas de China para incluir tantos detalles ornamentales y celestiales como pudimos, dando

espacio a los íconos más importantes para que brillaran y agregando grandes dosis de diversión LEGO al modelo.

El resultado es un creativo tributo a la historia original. Esperamos que los fans se sientan conectados con esta parte tan singular de su patrimonio, dejen volar su creatividad y cuenten sus propias historias".

Justin Ramsden,
modelista sénior de LEGO

FROM CONCEPT TO MODEL

"LEGO Monkie Kid™ sets let fans imagine the characters from the legend as part of our world today. We researched lots of interpretations of the Monkey King story for this set, and after creating 'The Legendary Flower Fruit Mountain,' we felt that the Heavenly Realms would naturally be the perfect next chapter to us.

From characters and model-concepts to graphics and detailed notes, I'm amazed by how the designers 'translated' these early sketches to create this majestic model."

*Xiaodong Wen,
LEGO Senior Concept Designer*

DU CONCEPT AU MODÈLE

« Les ensembles LEGO Monkie Kid™ permettent aux amateurs d'imaginer les personnages de la légende dans notre monde contemporain. Nous avons étudié plusieurs interprétations de l'histoire de Monkey King pour cet ensemble, et après avoir créé le légendaire Mont des fleurs et des fruits, nous avons pensé que les royaumes célestes seraient logiquement le prochain chapitre parfait pour nous.

Des personnages et des concepts jusqu'aux dessins et aux détails, je suis stupéfait de la façon dont les concepteurs ont traduit ces premières esquisses en un modèle majestueux. »

*Xiaodong Wen,
concepteur principal LEGO*

DEL CONCEPTO AL MODELO

"Los sets LEGO Monkie Kid™ permiten a los fans imaginar a los personajes de la leyenda como parte del mundo de hoy. Investigamos un montón de interpretaciones de la historia de Monkey King para esta serie y, habiendo creado la Legendaria Montaña de Flores y Fruta, sentimos que los Reinos Celestiales eran, naturalmente, el siguiente capítulo perfecto para nosotros.

Desde los personajes y prototipos hasta los gráficos y las notas detalladas, me sorprende cómo los diseñadores lograron 'convertir' los trazos preliminares en este majestuoso modelo...".

*Xiaodong Wen,
diseñador conceptual sénior de LEGO*

Lars Roersen Nielsen

IMMORTALISER DES ICÔNES CULTURELLES

« J'ai grandi en regardant *Monkey King* chaque jour de fête et je l'adorais tellement. La création des dessins de cet ensemble m'a rappelé tant de souvenirs d'enfance !

Je sais ce que cette histoire représente pour les amateurs et je voulais en immortaliser la magie dans ses moindres détails. De l'espacement entre les lettres chinoises traditionnelles aux couleurs, en passant par les symboles (comme les dragons) et les icônes culturelles, nous avons veillé à ce que le modèle soit authentique et reflète l'humour et les normes de LEGO®. »

Lars Roersen Nielsen, graphiste LEGO

CAPTURING CULTURAL ICONS

"I grew up watching *The Monkey King* every holiday and I loved it so much. Creating the graphics for this set brought back so many great childhood memories for me!

I know how fans feel about the story and wanted to capture the magic of it in every little detail. From the spacing between the Traditional Chinese letters to colors, symbols (like dragons) and cultural icons, we made sure the model was authentic and incorporated LEGO® humor and standards."

Lars Roersen Nielsen,
LEGO Graphic Designer

CÓMO PLASMAMOS LOS ÍCONOS CULTURALES

"Creí viendo *The Monkey King* en vacaciones y me encantaba. ¡Crear los gráficos de este set me trajo muchos recuerdos fantásticos de mi niñez!

Saber lo que sienten los fans por la historia me motivó a capturar su magia en cada pequeño detalle. Desde el espaciado entre los caracteres del chino tradicional hasta los colores, los símbolos (como los dragones) y los íconos culturales, nos esforzamos por asegurarnos de que el modelo fuera auténtico y encarnara el humor y los cánones de LEGO®".

Lars Roersen Nielsen,
diseñador gráfico de LEGO
